Location – Zoom due to COVID 19

Call meeting to order – 7:35pm

Board members present – David Barnes, Jeffrey Drichta, Bridget Foist, Alicia Tompkins, Eric Rubel

Bethesda Fire Department Status and Next Steps – the Edgemoor community representative resigned from the committee at the Fire Department therefore the Edgemoor neighborhood has no representative on the committee at this time, David will find out more information about what is involved in being on the committee, board decided to not get directly involved yet will provide the information to the neighborhood in case anyone has a special interest in being involved with the Fire Department

Sidwell Friends Property Status – David emailed the head of the school, he reported that he doesn't think they will vacate the property for at least 5 years, David will contact him again next year to get an update

Community Organization Distribution of COVID test kits – David sent in a request and called to check on status, they didn't have a system set up yet, doesn't seem to be a big need in our neighborhood

Recent Mail Theft – some checks are being stolen and “washed”, ECA will not pursue this farther although will stay up to date on the neighbor to whom this happened

Thrive Status and Next Steps – Eric will testify at listening session on Thursday 1/24/22. The board discussed what else we could be doing – decided to just continue pushing our position and testify on Thursday.
