Little Falls Parkway

David will reconnect with Chris Danley regarding changes to LFP. David will forward a survey link to the Edgemoor community about LFP. Kenwood, Somerset and North Chevy Chase are the most affected communities impacted by the changes.

Women’s Farm Market (Historic Preservation)

Parking will be moved underground (approx. 200 spaces) to make way for potential parks and green space. Development will include a mixture of condos and apartments with the County Council likely approving it after Thanksgiving. The Mayor of Chevy Chase has asked ECA to send out information to the community regarding development efforts.

Other Business

Shari Caffritz has asked that the ECA get involved in supporting older members of the community. Huda will reach out to Shari to see if there is a potential partnership with BMAV. David will include something in the ECA newsletter reminding residents to check on elderly neighbors.

Website

Jeffrey and Alicia continue to make improvements to the ECA website. The membership toolkit will no longer be using PayPal and will use Luma pay. Board suggested that a link to PayPal be included on the ECA website for membership fees.
