-- Update

#### 1. Household Recycling Questions/Comments

The ECA Board is finalizing arrangements to have a representative from Montgomery County Department of Environmental Protection join us for our Fall Members Meeting/Social to talk about household recycling. In preparation for that, please send me your questions or comments about trash and recycling so I can pass them on to our speaker and make sure they get addressed. (We will still have an open Q&A period at the meeting.) Not sure whether a particular item goes in the recycle bin? Want to learn how to dispose of a special item? Got a complaint or complement? Something else? Send them to me. If you have a question about a specific item, a photo might be helpful if you have one.

Note: Before you send a question, please check to see if your question is already addressed on the Solid Waste Service website ([HERE](#)). Most trash and recycling questions can probably be answered there.

#### 2. Edgemoor Tip of the Month – Neighborhood Service Provider Recommendations - Update

As noted in the June ECA Newsletter, the ECA has started a Compilation of Service Provider Recommendations that is available, and can be supplemented, by anyone with [this link](#). Since it went live, neighbors have added many new entries, and we've also made a few tweaks to the format of the document. It is a Google Spreadsheet, so if you are uncomfortable making changes to the document on your own, feel free to email your recommendations or the recommendations you've received from others in the neighborhood. If you're looking for a service provider, check the spreadsheet before posting a request in EC-Net. and it may save you some time and effort. Bookmark the link to the document so you can find it if you need it, and it's also on the [EC-Net page of the ECA website](#) (scroll down near the bottom of the page).

Do you have a tip you'd like to share with your neighbors? Please email me your suggestions [HERE](#).

*The ECA Newsletter is a compilation of information relevant to Edgemoor area residents. It is distributed on an occasional basis on the EC-Net email list.*
